Who are we?
The SBU Health Sciences Library serves the Schools of Dentistry, Health Technology & Management, Medicine, Nursing, Social Welfare and biomedical sciences as well as Stony Brook Hospital and the Long Island State Veterans Home. The Library study spaces are open to the entire SBU community and the public.

Where can you find us?
Online at library.stonybrook.edu/health-sciences-library
In person on HSC Level 3
By phone at 631-444-3099
By email at refhsclib@stonybrook.edu

What resources do we provide?
• Full text access to over 4,200 books and 10,000 journals through our website
• Mobile apps including UpToDate, Clinical Key, and VisualDX
• Any article or book available in the United States, through Interlibrary Loan, at no cost to you
• Collaboration and quiet study space
